American Society of Hematology
Clinical Research Training Institute
Letter of Intent

Letters of intent for the 2013 application cycle will be due by **11:59 pm Eastern on January 8, 2013**. Those who have fulfilled the letter of intent requirements will be invited to submit a full application.

ELIGIBILITY

The CRTI is geared toward trainees and early career faculty members in adult and pediatric hematology, hematology/oncology and hematology-related programs at academic medical centers. Please review the Eligibility Requirements on the ASH web site.

To be considered for this award program, please be sure to include all necessary documents in one PDF document.

CHECKLIST

The following items must be submitted:

- ☐ Letter of intent form (completed)
- ☐ Your NIH biosketch (four page limit)
- ☐ A 350-word (maximum) abstract describing the proposed research project (tables, figures and references are not necessary at this stage)

- Letters of intent must be submitted electronically to training@hematology.org by **11:59 pm Eastern on January 8, 2013**.
- Only electronic submissions will be accepted.
- All submissions **MUST** include the required documents listed above, in the order above, and be submitted as one PDF file. **Separate e-mails will not be considered.**
- The file should be named in the following format: CRTI Lastname-Firstname 2013 LOI.pdf
- Any letter of intent which is not formatted correctly, is lacking information, has incorrect information, or is lacking required documents will not be considered.
- An email from ASH will be sent to the applicant within one business day of receiving the letter of intent to confirm receipt. If an email is not received, the applicant should notify ASH staff immediately. Failure to notify ASH could result in the application not being reviewed.

First Name **Last Name**

Degree(s)

ASH Member ID

All applicants MUST be members of ASH in good standing at the time the letter of intent is submitted and remain members of ASH in good standing for the duration of the CRTI program.
