AMERICAN SOCIETY *of* HEMATOLOGY

2013 International Outreach Initiative (IOI) Application

Eligibility Requirements:

- Applicants must be from developing countries. The most current list of developing countries can be found on the ASH website at *www.hematology.org/global*
- Applicants must be affiliated with a hospital, university, clinic, or a cooperative group of institutions within an eligible region. ASH will not consider applications for personal or individual use.

Materials Included in IOI Packets:

All applicants will receive the following materials:

- Online access to the *ASH Self-Assessment Program (ASH-SAP)*
- A flash drive of the abstracts from the most recent ASH annual meeting
- Annual Meeting Education Program DVD
- Access to webcasts from Highlights of ASH®
- ASH® State-of-the-Art Symposium DVD

As of June 1, 2012, an online subscription to *Blood*, the journal of the American Society of Hematology, will be available only through the Health InterNetwork Access to Research Initiative (HINARI) of the World Health Organization. If you would like to receive free online access to the journal, please visit the HINARI website (*http://www.who.int/hinari/en/*) for eligibility and instructions on how to register your institution.
