 - **Personal Statement/Career Development Plan**

- ASH utilizes a holistic review process to evaluate applicants.
- This means that the review allows for consideration of personal experiences and attributes in addition to traditional metrics.
- Our goal is to support a diverse, resilient, and inclusive workforce.
- We carefully consider every individual's unique experience.
- We recognize that there may be distinct challenges that applicants have overcome and understand that not everyone is given the same opportunity to thrive.
- Applicants are invited to share a personal statement that they would like considered as part of the application process
- Please describe your interest in hematology/hematology research, any leadership experiences, how this award would help to further your future career goals, and any applicable items from the Key Considerations document. Possible items to include are: Coursework, relevant seminars, conference presentation, publications, grant writing, and/or professional development.
 - Personal Statement 750 words (Text box in Form)
 - Career Development Plan 750 words (Text box in Form)

If applying to the Hematology Inclusion Pathway awards

- *The Hematology Inclusion Pathway (HIP) provides a comprehensive array of awards and programs, creating career opportunities in hematology intended to help foster an inclusive hematology workforce that reflects and serves the diverse world we live in.*
- *Through HIP, ASH continues its long-standing commitment to combating inequities in hematology, supporting scientists and clinicians from backgrounds underrepresented in hematology, embracing diverse voices, and creating greater opportunities for deserving individuals in the field.*
- In 500 words or less, please share information about how you meet the goals of HIP and if applicable, describe any leadership or service experiences, whether in hematology or in other settings. (Text box in form)

Survey tab:

- How did you hear about the ASH AWARDS program? (Multi Select)
- Are you a previous award recipient? (Single select)
 - Name of award if recipient
- Have you applied to an ASH award previously? (Single select)
 - Name of award if applicable
- Voluntary Demographic Survey
