Program Details

Name of School (i.e., College of Arts & Science, Business, etc.):	
Enrollment Date:	Expected Graduation Date:
Major:	
Dean's Name:	Dean's Phone Number:

The NAUSB program is a non-member benefit program open to undergraduate students in the United States, Canada, and Mexico who are interested in hematology. Benefits include all annual meeting notices in advance, as well as lower (i.e., Non-Member in Training) registration rates.

This includes entry to "blue badge" trainee events. Participants also receive a complimentary online subscription to the Society's official journal, *Blood*. When participants become eligible for Graduate/Medical Student membership in ASH, they will be invited to transition to that status.

Until then, participants should not refer to themselves as ASH members.

****Please return this form, along with a letter from the dean's office of your school, including your enrollment date and expected graduation date, to:****
