# Welcome!

**Robert S. Negrin, MD**  
2026 ASH President

“Thank you for choosing ASH as your professional society. Members like you strengthen the hematology community and are what make the Society great. We encourage you to take an active role in the Society, make new connections, and enhance your professional development by exploring the many benefits that ASH has to offer.”

**As a new member of ASH**, you now belong to a global community of more than 18,000 hematology professionals in nearly 100 countries who are working to conquer blood diseases worldwide. ASH is committed to promoting research, clinical care, education, training, and advocacy in hematology and to ensuring that its programs meet the evolving needs of its members.

## Enjoy Members-Only Privileges and Discounts

- Early-bird annual meeting registration and early access to housing
- Discounts on registration for regional meetings including *Highlights of ASH*®
- Complimentary subscriptions to ASH's digital and print publications, including *The Hematologist*, *ASH Clinical News*, and the *Blood* journals portfolio
- Exclusive eligibility to apply for ASH awards and grants
- Discounted rates on ASH meeting webcasts and other educational products

### Our mission:

Fostering high-quality, equitable care, transformative research, and innovative education to improve the lives of patients with blood and bone marrow disorders.

# Get connected

Connect with the global hematology community across every subspecialty.

## Get to Know ASH Members

Establish new connections and partnerships with colleagues and experts in your field. Use the ASH Member Directory to find and connect with hematologists near you or those with similar research interests.

► **Learn more** at [hematology.org/new-member](https://hematology.org/new-member)

## Connect with Innovators Through ASH IGNITE

Join the ASH IGNITE platform to connect with innovators, investors, and professionals who are passionate about new advancements in the field of hematology, taking a new discovery from the lab to the bedside.

► **Learn more** at [hematology.org/IGNITE](https://hematology.org/IGNITE)

## Follow ASH on Social Media

Stay up to date on Society events and hematology-related news.

► **Follow ASH** at [hematology.org/socialmedia](https://hematology.org/socialmedia)

## Expand Your Network

ASH events bring together hematology professionals from around the world, offering meaningful opportunities to connect, collaborate, and build relationships at every career stage.

► **Learn more** at [hematology.org/meetings](https://hematology.org/meetings)

Find your next job or connect with qualified hematology and oncology talent through targeted listings designed for the hematology community at the ASH Job Center.

► **Learn more** at [hematology.org/jobcenter](https://hematology.org/jobcenter)

## Join a Community of Hematology Advocates

ASH's Grassroots Network empowers members to advocate for hematology by influencing policy and funding decisions. Access resources that amplify your voice in ASH's advocacy efforts. Support Fight4Hematology, ASH's campaign to secure federal funding and advance policies that benefit blood disease research and patient care.

► **Learn more** at [hematology.org/advocacy](https://hematology.org/advocacy)

# FIGHT 4 HEMATOLOGY

ASH is fighting for hematology in the face of executive orders and other federal actions that threaten research and, ultimately, the care of patients.

Join the fight! [hematology.org/Fight4Hematology](https://hematology.org/Fight4Hematology)

### 3. AMPLIFY

### 4. DONATE

## Stay Informed

Explore the latest in hematology research by attending an ASH meeting or accessing educational resources and complimentary publications.

### Attend a Hematology Meeting

Expand your knowledge and earn continuing medical education credits by attending the ASH annual meeting or one of the regional Highlights of ASH meetings.

► **Find and register** for upcoming meetings at [hematology.org/meetings](https://hematology.org/meetings)

### Educational Resources for Every Stage of Your Career

- Access a growing archive of free learning modules and webinars.
- Take advantage of discounts on webcasts of ASH meetings.
- Obtain CME and MOC credits through knowledge testing, meeting evaluations, and practice improvement modules.

► **Learn more** at [hematology.org/education](https://hematology.org/education)

### Explore ASH Podcasts and Apps

Listen to expert-led ASH podcasts for timely insights on hematology research, education, and clinical practice, and explore ASH apps that support learning and decision-making on the go.

► **Learn more and listen** at [hematology.org/podcasts](https://hematology.org/podcasts)

### Help patients find expert care

Members listed in Find a Hematologist connect patients with hematology specialists through ASH's patient-accessible database.

► **Learn more** at [hematology.org/find-a-hematologist](https://hematology.org/find-a-hematologist)

# Get Involved

Use your knowledge and experience to advance ASH's mission as a volunteer.

## Become a Volunteer

ASH offers many ways to contribute your expertise and make an impact in hematology. ASH volunteers support education, research, advocacy, and leadership initiatives while connecting with peers and helping advance patient care.

► **Explore** volunteer opportunities at [hematology.org/get-involved](https://hematology.org/get-involved)

## Share Your Idea

Have an idea to help your community or educate the field about your area of expertise? Let us know how we can help!

► **Visit** [hematology.org/new-member](https://hematology.org/new-member) to learn more and submit an idea

## Apply for an ASH Award

Enhance your knowledge of hematology, grow your career by gaining valuable research experience, or continue critical research threatened by The National Institutes of Health (NIH) funding cuts. ASH provides awards to support hematologists at all stages of their careers. In 2025, ASH increased its awards commitment to \$20M+ to support an additional 660+ awardees.

► **Apply for funding and support** at [hematology.org/award](https://hematology.org/award)

## Join a Committee

Expand your leadership experience and contribute to key Society initiatives by serving on one of ASH's many committees.

► **Learn more** at [hematology.org/leadership-positions](https://hematology.org/leadership-positions)

## Get Published

Submit a manuscript to the *Blood* journals portfolio, a family of seven peer-reviewed publications advancing research across the full spectrum of hematology, including *Blood*, the most cited journal in the field, and *Blood Advances*, the Society's open-access, online-only journal.

► **Learn how** at [hematology.org/publication](https://hematology.org/publication)
